

Certificate of Analysis (COA)

Product Name: Sharomix

Country of Origin: Not specified

INCI: Methylchloroisothiazolinone, Methylisothiazolinone and Benzyl Alcohol in Water

Batch Number: SHRMX0327A

Manufacturing Date: 03.2024

Expiry Date: 03.2027

Parameter	Method	Result
Appearance	Visual	Clear to slightly yellowish liquid
Odor	Organoleptic	Characteristic
pH (10% solution)	pH meter	4.0 – 6.0
Solubility	Water Solubility Test	Soluble in water
Active Content	HPLC	Conforms to specification
Specific Gravity (25°C)	Densitometry	1.02 – 1.08 g/cm ³
Refractive Index (25°C)	Refractometry	1.420 – 1.430
Preservative Content	GC-MS	Complies with declared content
Microbial Purity	Plating Method	Complies (No growth)

Conclusion: The product meets all required specifications and is suitable for cosmetic use.
